Hello Marilsa, sorry for the delay in my reply, we have had an A&E firm present this week for our upcoming Master Plan remodel so I'm behind on my emails. Below, you will note that I struck thorough the changes in your chart or added info in RED:

For the column "Contact Title", please note that this O&M contract covers both Duluth and GI MI; primarily Duluth. Presently, or for the past 2yrs, the GI MI lab has been winding down or going through a "closure procedure". If all goes well, the entire facility will be vacant by the end of JUL 2019; don't hold your breath.

For the column "Ceiling", you'll note that that total is based on the last MOD, current period. The cumulative total for the Base period and all Option Periods is Ex. 4 CBI

Well, I hope this helps.
